Petition No. x2022-35 — DTE Energy, request for the outright vacation of West-

ern Street, 50 ft. wide, located between Sharon Street, 50 ft. wide, and Weir Street, 50 ft. wide, south of McGraw Street 66 ft. wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is made as part of a consolidation of property by DTE Energy.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering – DPW.

Detroit Water and Sewerage Department (DWSD) has no objection provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.
