 Re: **Petition No. x2023-012** — Ford Motor Company requests to vacate to utility easement part of Wabash Street, south of Bagley Street. Also, for encroachment of light poles and conduits into Wabash Street east of and adjacent to 1501 Wabash.

Petition No. x2023-012 — Ford Motor Company requests to vacate to utility easement part of Wabash Street, 65 ft. wide, south of Bagley Street. Also, for encroachment of light poles and conduits into Wabash Street east of and adjacent to 1501 Wabash.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is made as part of the site development at 1501 Wabash Street.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
