Honorable City Council:

Re: **Petition No. x2023-324** — Detroit Water & Sewerage Department request for the Decertification/Vacation, 'Outright', of part of Blackstone Street, between Midland Street and Keeler Street.

Petition No. x2023-324, Detroit Water & Sewerage Department request for the Decertification/Vacation, 'Outright', of part of Blackstone Street, 50 ft. wide, between Midland Street, 50 ft. wide, and Keeler Street, 50 ft. wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW. Detroit Water and Sewerage Department (DWSD) has no objection provided certain provisions are met. The DWSD provisions are a part of the attached resolution. All other involved City Departments, and privately owned utility companies have reported no objections. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
