 Re: **Petition No. x2022-365-NP** Detroit Commerce Center, LLC and The City of Detroit request for the Outright Vacation of various segments of streets in the vicinity of 14250 Plymouth.

Petition No. x2022-365-NP Detroit Commerce Center, LLC and The City of Detroit request for the Outright Vacation of various segments of streets in the vicinity of 14250 Plymouth. Said streets include Mark Twain Avenue, 60 ft. wide, Foley Avenue, 60 ft. wide, and Strathmoor Avenue, 66 ft. wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report. The request is made as part of plans redevelop the site at and around the parcel commonly known as 14250 Plymouth Road. The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering – DPW.

Detroit Water and Sewerage Department (DWSD) has no objection provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
