

## City Engineering Department

August 30, 1989

Honorable City Council:

Re: Petition No. 2835: Pangborn Design LTD. Temporary Alley Closing east-west public alley in the block bounded by Mt. Elliott, Iron, Wight and E. Jefferson.

Petition No. 2835 of "Pangborn Design LTD" requests the temporary closing of the east-west public alley, 20 feet wide, in the block bounded by Mt. Elliott Avenue, Iron Street, Wight Street, and E. Jefferson Avenue.

The request was approved by the Community and Economic Development Department with certain restrictions.

The Water and Sewerage Department will require unimpeded access to existing sewers. Any fence and gate installation must provide 15 feet horizontal and 13 feet vertical clearance for maintenance vehicles.

All other City departments and privately owned utility companies have reported no objections to the proposal, provided they have the right to ingress and egress at all times to their facilities.

An appropriate resolution containing the necessary conditions is attached for consideration by your Honorable Body.

Respectfully submitted,

CLYDE R. HOPKINS

Director

By Council Member Cleveland:

Resolved, The City Engineering Department is hereby authorized and directed to issue permits to "Pangborn Design LTD" to close the east-west public alley, 20 feet wide, in the block bounded by Mt. Elliott Avenue, Iron Street, Wight Street, and E. Jefferson Avenue lying southerly of and abutting the south line of Lots 15, 16, 17, 18, 1, 2, and 3, all inclusive; also lying northerly of and abutting the north line of Lot 4; also lying northerly of and abutting the north line of the previously vacated north-south public alley (17 feet wide; May 14, 1907 — J.C.C. page 569); also lying northerly of and abutting the north line of Lot 14 of the "Plat of Subdivision of part of Lots 1, 2, 3 and 11 and 12, Meldrum Farm," City of Detroit, Wayne County, Michigan as recorded in Liber 1, Page 109, Plats, Wayne County Records; on a temporary basis to expire on October 1, 1994;

Provided, The petitioner shall file with the Finance Department an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit harmless from all claims, damages or expenses that may arise by reason of the issuance of permits and the faithful performance by the petitioner of the terms thereof. Provided, No building or other structure (except necessary line fence), shall be constructed on or over the alley. The petitioner shall observe the rules and regulations of the City Engineering Department. The City of Detroit retains all rights and interests in the temporarily closed public alley. The City and all utility companies retain their rights to service, inspect, maintain, repair, install, remove or replace utilities in the temporarily closed public alley. Further, the petitioner shall comply with all specific conditions imposed to insure unimpeded 24-hour

per-day access to the City and utility companies; and

Provided, That at the expiration of the permit, all obstructions shall be removed at the petitioner's expense. The public property shall be restored to a condition satisfactory to the City Engineering Department by the petitioner at the petitioner's expense; and

Provided, The petitioner's fence and gate installation shall provide 15 feet horizontal and 13 feet vertical clearance for utility maintenance vehicles; and

Provided, This resolution is revocable at the will, whim or caprice of the City Council without cause. The petitioner waives the right to claim damages or compensation for removal of encroachments. Further, the permittee acquires no implied or other privileges hereunder not expressly stated herein. If this permit is continued for the five (5) year period, the City Council may (upon written request and if the circumstances justify accordingly) grant an extension thereto; and

Provided, This permit shall not be assigned or transferred without the written approval of the City Council.
