Development Department

Honorable City Council:

Re: Petition #43 — Marine Pollution Corporation to renew closing of Pulaski

south of West Jefferson at Rouge River — previously granted 4-15-84.

Investigation by the staff of this department has disclosed that the grant for the temporary closing of the above described alley has expired and petitioner now wishes an extension of time. There have been no complaints since this alley closing has been in effect and no change in the conditions.

The Department of Transportation, Planning and Traffic Engineering Division and other interested City departments have been contacted and there are no objections to the extension of time.

After careful consideration of all the factors involved, it is the recommendation of the Community and Economic Development Department that the temporary closing of the alley, as shown on Plan #600-795 be extended for an additional five (5) year period subject to all the provisions as they apply to the extension of a temporary closing.

Respectfully submitted,

DALE SAUNDERS  
Director

By Council Member Ravitz:
