Honorable City Council:

Re: Petitions to Convert Alleys to Easement.

For your consideration, submitted herewith are six (6) petitions requesting the conversion of alleys into easements in the City of Detroit.

The requested conversions into easements for public utilities were recommended by the Community and Economic Development Department upon prior investigation and report. For filing in the office of the City Clerk, please find reports, petitions to vacate the public alleys, sketches of the alleys and Notice of the City Council hearing.

All other involved City Departments and privately owned utility companies have no objections to the conversion of the public right-of-ways into easements provided that proper provisions are incorporated into the vacating resolution protecting their installations located therein.

The adoption of the attached resolution is recommended.

Respectfully submitted,

BEVERLY J. HAYES
Supervising Assistant
