Honorable City Council:

Re: Petition No. 942 — Cueter Investment Company. Alley to Easement easterly half of the east-west public alley north of Ewald Circle, and west of Livernois.

Petition No. 942 of "Cueter Investment Company" requests the conversion of the easterly half of the east-west public alley, 18 feet wide, north of Ewald Circle, and west of Livernois Avenue into an easement for public utilities.

The requested conversion was approved by the Community and Economic Development Department. The petition was referred to the City Engineering Department for investigation (utility clearances) and report. This is our report:

The petitioner plans to use the paved alley return entrance (into Livernois) and requests such remain in its present status. The petitioner shall pay all incidental removal costs whenever discontinuance of use makes removal necessary.

City departments and privately-owned utility companies have reported no objections to the conversion of public rights-of-way into a utility easement. Provisions protecting utility installations are part of the resolution.

The adoption of the attached resolution is recommended.

Respectfully submitted,  
 CLYDE R. HOPKINS,  
 Director

By Council Member Butler:
