Honorable City Council:

Re: Petition No. 1998, Gas Workers Local No. 80 Service Employees International Union, Temporary Street Closing a portion of Ledyard between Fourth and Third.

Petition No. 1998 of the "Gas Workers Local No. 80 — Service Employees International Union" requests the temporary closing of a westerly portion of Ledyard Street, 60 feet wide, between Fourth and Third Avenues.

The request was approved by the Department of Public Works — Traffic Engineering Division and the Community and Economic Development Department with certain restrictions. [NOTE: However, the request did not contain the written consent of the non-resident owners of 815-821 Ledyard and 829 Ledyard.]

Barden Cablevision, Detroit Edison Company, the Fire Department, Michigan Bell Telephone Company, Michigan Consolidated Gas Company, the Police Department, Public Lighting Department, and the Water and Sewerage Department (all) will require unimpeded access to service the public and/or their existing facilities. Any fence and gate installation must provide 13 feet horizontal and 15 feet vertical clearance(s) for utility maintenance vehicles.

All other city departments and privately owned utility companies have reported no objections to the closing, provided they have the right to ingress and egress at all times to their facilities.

An appropriate resolution, containing the necessary conditions, is attached for consideration by your Honorable Body.

Respectfully submitted,
WILLIAM L. TALLEY
Head Engineer

If this permit is continued for the five (5) year period, the City Council may (upon written request and if the circumstances justify accordingly) grant an extension thereto; and
