Honorable City Council:

Re: Community and Economic Development Department Victoria Park Housing Development — Phase Two Streets and Alleys to Vacation in the area bounded by Coplin, Lakewood, Averhill and Freud.

It is advantageous to the city to create a "plat" of Victoria Park. The present residential housing site is (generally) bounded by Dickerson, Lakewood, Averhill and Freud.

A resolution vacating public streets and alleys in Victoria Park Housing Development — Phase One was adopted by City Council on July 31, 1991 (J.C.C. pages 1744-50). To facilitate a "plat" it is necessary to vacate public streets and alleys in "Phase Two." Phase Two is (generally) bounded by Coplin, Lakewood, Averhill and Freud.

All of the public street alignments and various easements are delineated on the proposed Victoria Park/Detroit Subdivision.

Satisfactory arrangements have been made with all city departments and privately-owned utility companies.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,
WILLIAM L. TALLEY
Head Engineer

By Council Member Cockrel:

Whereas, the City of Detroit through its Community and Economic Development Department is undertaking a project to develop residential properties within the Jefferson-Chalmers Revitalization area, specifically the Victoria Park Housing Development site; the present site (generally) bounded by Dickerson, Lakewood, Averhill and Freud Avenues. It is advantageous to the city to create a "plat" of Victoria Park/Detroit; and
