Honorable City Council:

Re: Petition No. 115, Megan, Inc., Alley to Easement east-west public alley in the block bounded by Yorkshire, Bishop, Berden and Harper.

Petition No. 115 of "Megan, Inc." requests the conversion of the east-west public alley, 20 feet wide, in the block bounded by Yorkshire, Bishop, Berden and Harper Avenues into a private easement for public utilities.

The requested conversion was approved by the Planning and Development, Department, Solid Waste Division — DPW, and Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report:

alley return entrances (into Yorkshire and Bishop Avenues) and requests such remain in their present status. The petitioner shall pay all incidental removal costs whenever discontinuance of use makes removal necessary.

City departments and privately owned utility companies have reported no objections to the conversion of public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

SUNDAY JAIYESIMI

City Engineer

City Engineering Division — DPW

By Council Member Everett:
