Re: Reimbursement For Lost Personal Property.

On October 17, 1994, Inspector John Courie, during a struggle while effecting an arrest for an assault he had witnessed, had his prescription glasses broken. His superiors have investigated and determined that he was properly in the performance of his police duties and not negligent in any way.

His out-of-pocket cost to replace these glasses was \$139.48, which appears to be reasonable and is supported by receipts. It is therefore recommended that your Honorable Body authorize the Police Department to honor this claim.

Department of Public Works City Engineering Division

December 5, 1994

Honorable City Council:

Re: Petition No. 3432 Arrow Heating and Cooling Service, Inc. Temporary Alley Closing, northern part of the north-south public alley in the block bounded by Gratiot, Chalmers, Eastwood and Fordham.

Petition No. 3432 of "Arrow Heating and Cooling Service, Inc." requests the temporary closing of a northern part of the north-south public alley, 18 feet wide, in the block bounded by Gratiot, Chalmers, Eastwood and Fordham Avenues.

The request was approved by the Planning and Development Department, Solid Waste Division — DPW, and Traffic Engineering Division — DPW with certain restrictions.

Ameritech/Michigan Bell Telephone Company, Barden Cablevision, Detroit Edison Company, the Fire Department, and the Water and Sewerage Department (all) will require unimpeded access to service the public and/or their existing facilities. Any fence and gate installation must provide 13 feet horizontal and 15 feet vertical clearance(s) for utility maintenance vehicles.

All other city departments and privately owned utility companies have reported no objections to the closing, provided they have the right to ingress and egress at all times to their facilities.

An appropriate resolution, containing the necessary conditions, is attached for consideration by your Honorable Body.

Respectfully submitted,

SUNDAY JAIYESIMI
City Engineer

By Council Member Ravitz:

RESOLVED, That the City Engineering Division — DPW is hereby authorized and directed to issue permits to "Arrow Heating and Cooling Service, Inc." to close a northern part of the north-south public alley, 18 feet wide, in the block bounded by Gratiot, Chalmers, Eastwood and Fordham Avenues lying westerly of and abutting the west line of the southern 98.00 feet of Lot 1078; also lying easterly of and abutting the east line of the northern 8.30 feet of Lot 1073, and Lots 1074 thru 1077 as platted in "Seymour and Troester's Montclair Heights Subdivision No. 2 of part of the Northwest Quarter of Section 12, Town 1 South, Range 12 East (Hamtramck Township)", City of Detroit, Wayne County, Michigan as recorded in Liber 40, Page 74, Plats, Wayne County Records; on a temporary basis to expire on February 1, 2000;

PROVIDED, The petitioner shall file with the Finance Department an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit harmless from all claims, damages or expenses that may arise by reason of the issuance of permits and the faithful or unfaithful performance by the petitioner of the terms thereof. Further, the petitioner shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the temporary public alley closing; and

PROVIDED, The permit shall be issued after the City Clerk has recorded a certified copy of this resolution with the Wayne County Register of Deeds; and

PROVIDED, The property owned by the petitioner and adjoining the temporary public alley closing shall be subject to the proper zoning or regulated use (Board of Zoning Appeals Grant) over the total width and length of the alley; and

Further, the petitioner shall comply with all specific conditions imposed to ensure unimpeded 24-hour-per-day access to the City and utility companies; and

PROVIDED, All of the petitioner's public property fence and gate installations shall be subject to the review and approval of the City Engineering Division — DPW (if necessary, in conjunction with the Traffic Engineering Division — DPW, and the Planning and Development Department); and

PROVIDED, The petitioner's fence and gate installation shall provide 13 feet horizontal and 15 feet vertical clearances for utility maintenance vehicles; and

PROVIDED, This resolution does not permit the storage of materials, displays of merchandise, or signs within the temporarily closed public alley. Further, the placement of materials, merchandise, or signs on any adjacent berm area is prohibited; and

PROVIDED, That at the expiration of the permit, all obstructions shall be removed at the petitioner's expense. The public property shall be restored to a condition satisfactory to the City Engineering Division — DPW by the petitioner at the petitioner's expense; and

PROVIDED, This resolution is revocable at the will, whim or caprice of the City Council without cause. The petitioner waives the right to claim damages or compensation for removal of encroachments. Further, the permittee acquires no implied or other privileges hereunder not expressly stated herein. If this permit is continued for the five (5) year period, the City Council may (upon written request and if the circumstances justify accordingly) grant an extension thereto; and

PROVIDED, This permit shall not be assigned or transferred without the written approval of the City Council; and further

PROVIDED, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.
