RE: Petition to vacate Riopelle between Farnsworth and Frederick; Frederick between Russell to west of the Grand Trunk Railroad.

Dear Honorable City Councilman Hood:

Thorn Apple Valley, Inc. (TAV) is respectfully petitioning the City Council, as well as other officials of our great City, to solicit support in obtaining permission to vacate the above referenced streets. Vacating these streets will enable Thorn Apple Valley, Inc. to promote heightened safety and security for it's employees, customers and the neighborhood in general. Thorn Apple Valley, Inc. has always taken great pride in it's role as a supporter of the community through various social, economic and employment opportunities.

It is our hope that vacating these streets will be a catalyst to further the working relationship between Thorn Apple Valley, Inc. and the City of Detroit. I personally look forward to working with you in this joint venture that will help both TAV and the City achieve our goals to improve our community.

I appreciate any assistance and guidance that you may offer in closing these streets. After your review and consideration, please contact me to discuss this matter at (313) 832-6080, Ext. 149.
