To the Honorable City Council:

This is a request to close Bangor Road, which is located on the west side of our property of 4040 W. Warren, on which we have a gas station and store. Bangor Road is a dead end street serving no purpose other than to allow people to mill about and sometimes intimidate our prospective customers. Bangor Road has steel fencing at the end of the street, which abuts to the 6 foot screen wall on the back of our property.

It is our intention to be able to utilize Bangor Road once it is designated a closed road, for purposes of enhancing our gas station, which would allow us to accommodate more vehicles on our premises and better service our customers.

We appreciate any consideration that the City Council will give to us in our petition to close Bangor Road.

Sincerely,

Ibrahim Mrove

Mohamed Mrove
