-CLERK CITY-

I am the owner of the business located at 17465 Mack. There is an alley located behind the building that is causing some concern for not only myself but also for the business owner next door to me. We would like to find out how to go about getting that alley closed off since there has been vandalism and crime committed back there. This is not good for my business nor that of my neighbor next door. We have had vehicle thefts and also destruction of property. Weapons have also been found thrown in the bushes back there. The alley itself serves no real purpose. Since I own both sides of the alley, my business neighbor has no problem with having it closed off. There are two other entrances to our business so it will not create a problem. If you would like to contact me concerning this matter, please feel free to do so.

Sincerely,

Gary E. Van Biervliet
