--CITY CLERK--

Honorable City Council

Marygrove wishes to reinstall a canopy at 40 Davenport for the Milner Arms Apartments. Milner Arms had a canopy going from building out to about 6' from curb. In 1996 Milner Arms did extensive renovations to the front of building and removed the canopy to facilitate the work to be done. We now wish to reinstall the canopy - with modifications because building was changed - as soon as we have your approval. The new fabric will be red in color and will really dress up the front of the building along with the new shrubs and landscaping.

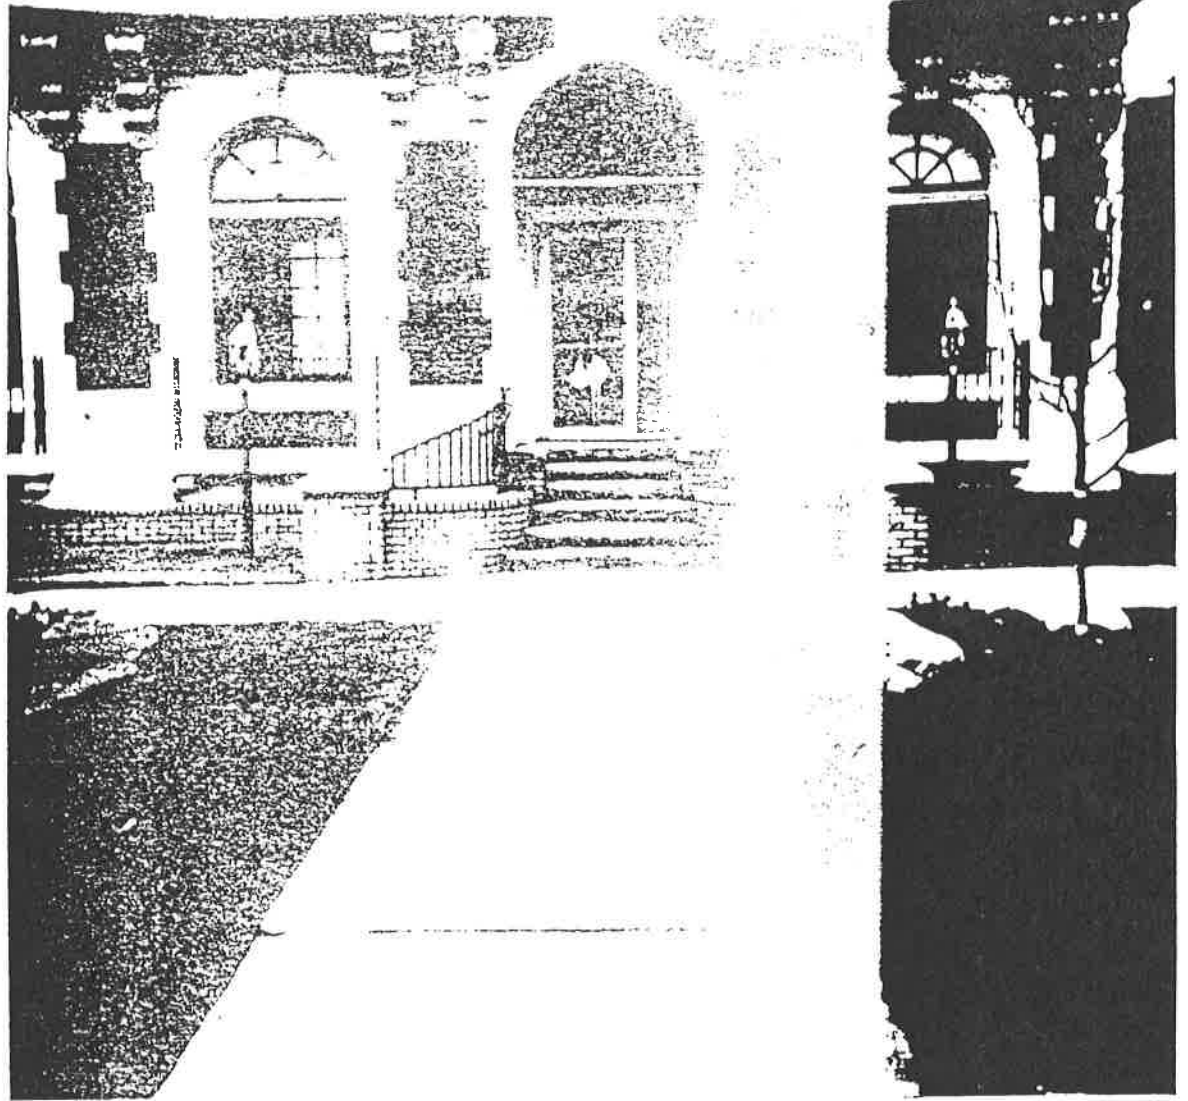

I anxiously await your approval for this canopy installation.

Sincerely

William J. Bellinger

(previous president of Marygrove Awning)
