Honorable City Council:

Re: Petition No. 2174 — Joe Porter's Menswear, Inc., request for conversion to easement of a portion of the alley in the area of Chene, Erskine and Grandy.

Petition No. 2174 of "Joe Porter's Menswear, Inc." requests the conversion of a portion of the north-south public alley, 20 feet wide, in the block bounded by Chene Street, 66 feet wide, Grandy Street, (variable width), Erskine Avenue, 40 feet wide and Gratiot Avenue, 120 feet wide in to a private easement for public utilities.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The petitioner plans to use the paved alley return entrance (into Chene Street) and request such remain in its present status. The petitioner shall pay all incident-

tal removal costs whenever discontinuance of use makes removal necessary.

All other City departments and privately owned utility companies have reported no objections to the conversion of public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

SUNDAY JAIYESIMI

City Engineer

City Engineering Division — DPW

By Council Member Tinsley-Talabi:
