Gentlemen:

We the undersigned, owners in fee of all properties abutting the alleys presently converted to an easement bounded by LeGrand Street and Strong Avenue (north and south) and Ackley Avenue and Mt. Elliot Avenue (east and west), respectfully petition your Honorable Body to vacate outright said alleys. The purpose of this request is that we intend to build an addition to our present facility located at 6349 Strong Avenue, Detroit, Michigan, that will be built over these existing alleys. This request covers that portion of said alleys starting at Ackley Avenue, beginning where the alley abuts eastern boundary of Lots 228 and 272 and ending where it abuts the western boundary of Lots 245 and 255, as well as the alley that abuts Lots 255 and 254 at the southern boundary beginning at Strong Avenue, then northerly along the boundary of Lots 255, 254, 253 and 252, turning westerly along 252 and 246 and 247 then northerly along 247, 251, 250, 249 and 248 and ending at LeGrand Street, all in H.L. Baker's Subdivision as recorded in Liber 9, Page 55, Wayne County Records.

It is agreed that the property owner is responsible for all costs incidental to removal or relocation of all utility poles, other utilities, sewers, etc., unless such charges are waived by the utility owners.
