To the Honorable City Council:

I am writing to request the closing of the alleys in the block bounded by the streets of McNichols on the south, Santa Maria on the north, Birchcrest on the east and Oak Drive on the west. The Archdiocese of Detroit owns all the property on this block and our parish is building a Community Green to be open to all.

Our Gesu Community Green plans allow the utilities companies to have access to this area to service their utilities. We will be using these alleys for green space, an improvement over what is there now.

Thank you for your prompt attention to this matter.

Sincerely,

Reverend Norm Dickson, S.J.
Pastor, Gesu Parish
