**RE: Petition for the outright vacation of that portion of Riopelle Street located between E. Grand Blvd. and Milwaukee**

To The Honorable City Council:

Detroit Energy Recycling, LLC is in the process of purchasing the west 41.16 feet of 2587 E. Grand Blvd. from the City of Detroit. On this parcel of land, Detroit Energy Recycling, LLC will construct a 10,000 square foot building designed to receive, process (bale) and prepare for shipment clean office paper and cardboard (OCC). Our main plant sits directly across E. Grand Blvd. from the proposed parcel of land on Riopelle Street. This expansion will enable our firm to continue to grow, increasing the amount of material which is recycled, as well as employment opportunities.

In order to proceed with this plan, it is necessary to request the outright vacation of the portion of Riopelle Street referenced above and included in the attached diagram. Please note the diagram indicates that the street is currently blocked off at E. Grand Blvd, and has been for some time. Therefore, please accept this letter and the attachment as a petition for the outright vacation of the street.

We respectfully request your assistance in this project. Thanking you in advance for your cooperation in this matter.

If you have any questions or need any further information, please contact John Francis, his direct phone number is (313) 350-2825.

Sincerely,  
**DETROIT ENERGY RECYCLING, LLC**
