Subject: Change in Parking signs at 14151 and 14163 Greenfield; Detroit MI 48227

Dear Sir,

I own and operate my medical practice at above location. A recent change in the parking signs prohibiting parking behind the curb has caused great inconvenience for my patients and some of them have been ticketed. Both to the north as well as to the south of my office all along the greenfield road parallel parking is allowed on the back of the curb for all other businesses. I am told that a representative of your dept. has already visited the site and agrees with need to allow parking on the back of the curb.

I would sincerely appreciate an immediate change in the sign to reflect allowing parking on the back of curb.

I will be glad to answer if there are any questions.

Sincerely;

N.K. Sharma
