2083 Patricia Kata, request for permission to fence portion of alley in area of 18631 Helen.

To Whom It May Concern!

This letter is in regard to the alley behind my property at 18631 Helen. The alley is between Robinwood and Hildale

At present my property has a private fence around it. I can't see the alley from the house, because of the fence.

Someone has chosen to use the alley behind my house as a dumping ground. They have discarded tires, shrubs, tree branches and other items.

We have already seen rats in the yard. I want to keep my portion of the alley clean. I would like to fence in my part of the alley, and put in a cement platform, so I can put up a storage shed.

I was told by the Encroachment Dept. that I cannot do anything while the alley is open.

I am petitioning the City Council to please declare this alley legally closed.

I would appreciate being notified of your decision. Thank you for your time and consideration.
