Dear Ken,

On Behalf of Diversified Chemical Technologies, Inc. we are hereby withdrawing our request for street closures.

The streets that we no longer want closed are Midland, between Hamlet and Woodrow Wilson, and Woodrow Wilson, between Oakman and Pilgrim. I apologize for any inconvenience that this may have caused the council.

Thank you for your help.

Sincerely,

Dylan Hill

Re: Diversified Chemical Technologies, Inc. Request for Street Closures

I received a request from the management of Diversified Chemical Technologies, Inc. to explore the possibility of street closures around their place of business, located at 15477 Woodrow Wilson Detroit MI. 48238.

I am requesting the DPW, City Engineering Division to explore street closure on Midland between Hamilton and street closure on Woodrow Wilson between Oakman and Pilgrim. The company has stated that the reasons for the request are because of safety in the area and to enhance their ability to recruit new employees.

Please forward the results and recommended next steps to my office in two weeks.

Thank you.
