**Re: New Amsterdam Activation II, LCC - Petition for partial closure of the north/south alleyway located east of Second Avenue between Amsterdam (north) and Burroughs (south)**

To The Honorable City Council:

New Amsterdam Activation II, LLC is scheduled to begin the renovation of 6200 Second Avenue into 50 residential loft units beginning October 2004. In order to provide safe, secure parking for our perspective tenants, we are requesting partial closure of the alleyway described above. See attached drawing.

This project represents an important financial commitment to housing development and neighborhood reinvestment in the City of Detroit. Please consider this letter a formal request to assign a petition number for the closure process to begin immediately.

If you have any questions, or require additional information, please do not hesitate to contact me directly at (248) 352-1550. We respectfully request your assistance in this project.

Sincerely yours,

NEW AMSTERDAM ACTIVATION II, LLC
