 --CITY CLERK--

This letter is regards to the alleyway located behind

16000 E. Warren
Detroit, MI. 48224

Sanders Building Services has been located at this address for over 20 years. We are dedicated and loyal to the City of Detroit. Sanders Building Services is experiencing excessive amounts of theft that is affecting the services we provide. In addition to the theft there is an extreme amount of debris that is dumped into this alley by various people from surrounding areas. This alley is continuously occupied by people that are loitering and it makes a secure haven for individuals to hide out easily. Because of this it is unsafe for our business, clientele, and surrounding neighbors.

In order to continue working at this address we need to secure our properties and belongings. We are requesting that the alley be blocked at the expense of Sanders Building Services. The alley will be maintained and kept clean by Sanders Building Services.

I have included a copy of the petition that we have gotten from the surrounding business and neighbors that will be affected by the closing of this alley.

If any further documentation is needed please feel free to contact me.

Thank you for your consideration in this matter.

Sincerely

 Rod Sanders
