Dear Ms. Winfrey:

Prevailing Community Development Corporation, a non-profit community based organization, is submitting a request to the Detroit City Council for a permit to install business district signs.

Prevailing CDC, in partnership with the West Warren Business Association, would like to install two 2 feet by 3 feet signs at the following locations:

1. West Warren Avenue, East of W. Grand Boulevard on the north side of W. Warren
2. West Warren Avenue, southeast corner of W. Warren and Martin

(See attached photos.)

The West Warren Business Association is comprised of small business owners, representatives from major businesses and community residents. Our mission is to create and promote a clean, safe and viable business district along west Warren, between Martin and W. Grand Boulevard which meets the needs of the community residents and visitors, as well as improve the overall quality of life.

We request permission to acknowledge our effort with signage. For more information, contact Yvonne Colvard at 313 896-4070.

Sincerely,

Chaunci Cline
