City Council Petition Request

Jan, 23rd 2008

To Whom It May Concern:

My name is Sam Spatafora and I would like to request that the 250 feet from the railroad tracks out in the alley in between Green Street and American Way Street in between Fort Street and the railroad tracks be closed as soon as possible for the construction of truck wells and a loading dock. The site plan is included and I prefer to have this done quickly and without a hearing before city council if possible.

Thanks,

Sam Spatafora
