Dear City Council:
Re: Permission for use of Alley

This letter is to request that Detroit City Council grant True Love Christian Ministries permission to use its adjacent alley as an easement to our church's parking lot. Our church is currently under re-construction and we plan to pave our parking lot in the near future. Please see the attached architectural plans for the parking lot. Historically, this alley has been used to access residential garages, driveways, as well as, the entry way into our church's parking lot. We proposed formal permission to continue our parking lot entry.

The proposed alley would not be blocked. It would remain accessible to all utility and public service vehicles. The city would not incur any expenses.

True Love Christian Ministries was established in 1997. We are located in the Detroit northeast community. We predominantly minister to the needs of Detroit citizens. In addition to our church services, we operate a free food bank; summer youth camp; after school activities and family counseling services.

Because of the building time restraints, we look forward to your reply April 25, 2008. If you have any questions, please feel free to contact me at 313-740-5550.

Thank you in advance for your prompt attention to this request.

Sincerely,

A handwritten signature in cursive script that reads "Rev. John E. Anderson". The signature is written in dark ink and is positioned above the typed name.

Rev. John Anderson, Sr. Pastor
