CITY CLERK

5/12/08

I am requesting permission to close the alley located at 10917 Grand River. This is at the intersection of Oakman Blvd and Grand River Ave, behind our 9 story building.

My building has been broken into twice in the past three months and my electric lines and phone lines have been cut and stolen twice in 6 months.

The church that is located at the other end of our alley has already closed off his end of the alley some time ago.

Having this alley open just seems to invite problems to our businesses with the easy access and privacy from the main road that it provides.

I have talked with the other business owners that are affected and they are all in agreement to close this off. (they too have had the same problems)

I would appreciate immediate consideration of this.

I can be reached during daytime hours at 313 531-0000 or my cell phone 313-929-8018.

Thank you,

Arthur Abrams
