EMERGENCY PETITION TO CLOSE ALLEY

To: Honorable Mayor Kwame Kilpatrick and City Council

Date: June 26, 2008

We, the following owners of properties adjacent to the alley which runs between Grand River and Collingwood and which borders the east end of Livernois and the west end of Woodside Street in the City of Detroit, hereby respectfully request that the alley be permanently closed as soon as possible for the following reasons: 1) criminal acts are repeatedly committed in the surrounding properties because the alley provides easy ingress and egress for the criminals; 2) garbage and debris is continuously dumped in the alley creating a safety hazard and public nuisance for the surrounding properties owners, and subjecting the property owners to undeserved fines assessed by the City; 3) the surrounding properties are subjected to an increased incidence of break-ins; and 4) the surrounding properties are subjected to an increased incidence of trespassers.

The property owners are attempting to improve and enhance their properties to make it a pleasant neighborhood for all who live there. Their efforts, however, are repeatedly thwarted and undermined because of, among other things, the trouble and problems created by the open alley.

The property owners further hereby request that they be allowed to temporarily block the alley pending the City's permanent resolution of this matter. Both a temporary and permanent closing of the alley will in no way impede access to the surrounding properties by utility companies, emergency personnel, etc.

Thank you for your prompt consideration of this very serious matter.
