RE: **Paving & Use of Right of Way at Front of Property**  
6030 E. Eight Mile Road  
Detroit, MI 48234  
Phone: 313-892-2222

Michigan Tire & Mega Auto Sales operates a legally established auto repair, tire sales and used car sales facility on E. Eight Mile Road. Security has been a problem for them and they installed a wrought iron fence in lieu of landscaping along their Eight Mile property line. The wrought iron fence creates lack of visibility issues from a marketing standpoint.

We are requesting to 1) remove the existing grass and install asphalt paving between the sidewalk and the curb along the Eight Mile property line and 2) display cars parked in the right of way, temporarily each day, during business hours only.

While we do not need an actual hearing before City Council, we would appreciate a Petition Number as soon as possible.

Sincerely yours,

Nathan L. Harvey  
Architect for the Petitioner
