**RE: Paradise Valley Cultural & Entertainment District Project
Petition to Council for Encroachment for Conduit in Public Right of Way**

As you are aware, the DDA was assigned the task of creating the Paradise Valley Cultural and Entertainment District Project, to be located in the area bounded by Madison Avenue to the North, John R to the west, Broadway and Gratiot to the south and Alley west of Brush to the east (the "Project Area"). The DDA staff has worked diligently toward completing the project, and is currently working on implementing the second phase of improvements for the District as a part of the Paradise Valley Streetscape and Open Space Improvement Project. The DDA requests City Council acceptance and approval of an encroachment for:

- Conduit work in the public right of way to connect audio systems in the park and plaza to neighboring buildings

Attached for your review and consideration are images of the proposed work to be conducted in the Project Area. Please feel free to contact me at 313.237.4604 if you have any questions or comments, or need additional information regarding the Project.

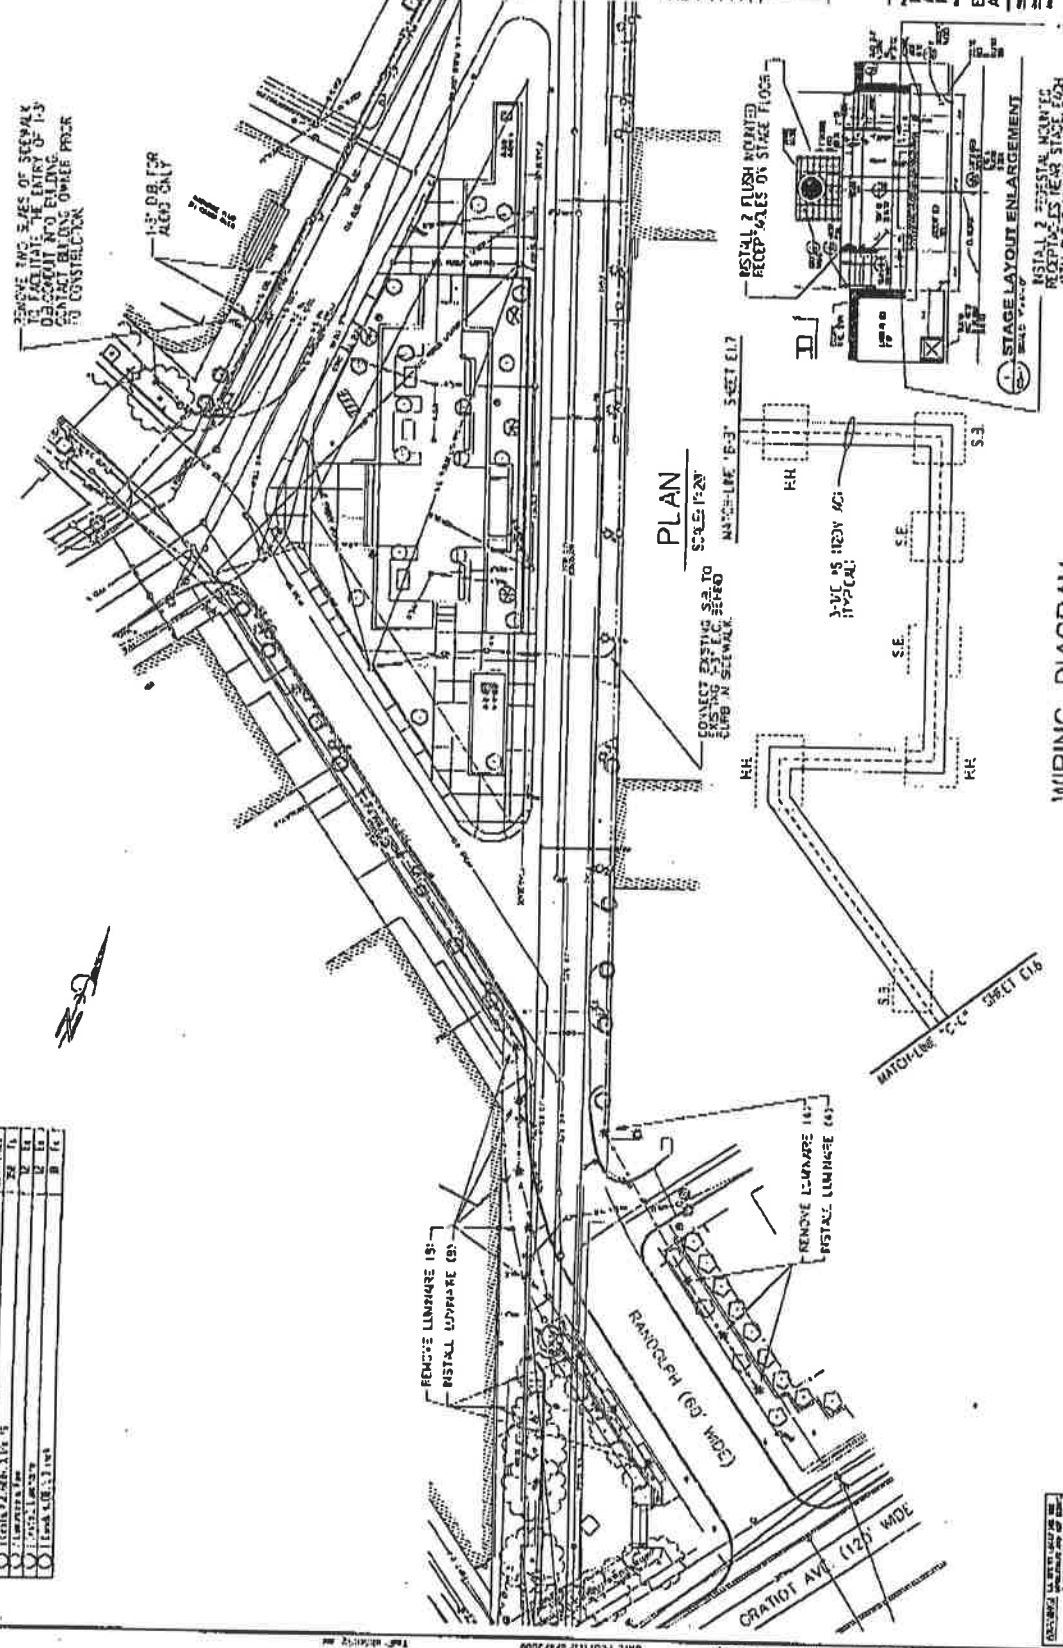

Thank You,

A handwritten signature in black ink, appearing to read 'Waymon Guillebeaux', written over a horizontal line.
