For consideration by the honorable members of Detroit City Council, Double J Co., LLC DBA Woodbridge Pub at 5169 Trumbull, Detroit 48208 is petitioning for the use of the city sidewalk as an outdoor seating and service area. The sidewalk for consideration is located on the north side of the Woodbridge Pub running parallel to Merrick St. I propose to use a section of the city sidewalk approximately eight foot of the existing fourteen foot sidewalk and twenty eight feet long directly adjacent to the Woodbridge Pub building. I would like to install either a permanent or seasonal outdoor seating and service area for my patrons. It is my belief that the outdoor seating and service area will be an asset to the Woodbridge community just as the addition of my business has been. I also firmly believe that businesses like mine are vital to the growth of our city and that having an outdoor seating and service area will help to keep my business viable and most importantly help me to stay open.

Thank you for your consideration and service to our community,
