Petition for Pole Location – Node 02

Extenet Systems, hereby respectfully requests permission to locate poles, wires, cables and fixtures, including the necessary sustaining and protective fixtures to build a 35 foot steel antenna pole at the location of Woodward Ave and East Larned Street, approximately 100 feet northwest of the center of the Woodward Ave/Larned Street intersection (Latitude/Longitude: N42.329652, W83.045321.) In order to meet the needs of all stakeholders, the construction of this project is expected to be completed by November 18<sup>th</sup>, 2010. The construction of this structure is necessary to complete the infrastructure required to support an Outdoor Distributed Antenna System (ODAS) network being built by Extenet Systems.

Contact Rick Sputa with any questions on this project at 740-403-7011.

**Re: City of Detroit Permit Agreement Granted to ExteNet Systems, Inc.**

Dear Mr.Schneider:

Pursuant to the ExteNet Systems, Inc permit application for access to and ongoing use of the City of Detroit's right-of-way, the City by and through its Cable Communications Commission ("Cable Commission"), is granting a telecommunications permit agreement to ExteNet Systems, Inc. with the following conditions:

- ExteNet will review, sign, date and return the enclosed telecommunications permit agreements along with B (Fifty Thousand Dollar (\$50,000) Performance Bond) or C (Letter of Credit) and the updated Certificate of Insurance which reflects the required categories and levels of coverage.

The October 13, 2010 grant of this telecommunications permit agreement is conditioned upon the Cable Commission receiving all outstanding documents no later than October 29, 2010.

Please do not hesitate to contact me at 313-224-2800 or 313.224.2100 if you have questions or concerns.

Thank you for your cooperation.
