--CITY CLERK--

Re: Berm Permit for 10301 W. Eight Mile Rd.

To the Honorable Detroit City Council:

Unique Auto Body (UAB) located at 10301 W. Eight Mile Rd respectfully requests permission to display a disabled car in front of the building occupying the berm. This would be for promotional purposes only as we attempt to market the services of our business. After several inquiries, we were informed that we would have to formally request a BERM PERMIT to satisfy this request.

We will only display this vehicle during business hours and will comply with all other codes, laws and ordinances regulating this permit. We have attached a site plan to better illustrate our desire.

If you should have any other questions please feel free to contact our agent, Mr. Nate Ford at (313) 779-2300. Thank you and we look forward to a follow-up communication from you.

Sincerely

A handwritten signature in black ink, appearing to read "S Hanna", with a long horizontal line extending to the right.

Owner, Unique Autobody
