July 9, 2014,

Honorable City Council:

Re: Petition No. 2580– Pat Whaley, requesting conversion of alley to easement in area of 3356 Leslie at Glendale and Dexter.

Petition No. 2580 Pat Whaley requests the conversion of the south portion of the north-south public alley , 18 feet wide in the block bounded by Dexter, Glendale, Wildemere and Leslie into an easement for utilities.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW. The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

All City Departments and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

Public Lighting Department (PLD) has no objection to the conversion to easement. The specific PLD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, City Engineer
City Engineering Division – DPW
