Re: Petition to allow parking on the berm in front of our business at
1301Leverette

I run Metrotech Collision and used car sales located at 1301 Leverette. Our side walk has sixteen feet between our building and the curb. I would like to request that parking be allowed on the berm. When we park our cars on the berm we are conscious of allowing space for pedestrian traffic which are usually our customers.

Any assistance you can offer in this matter would be greatly appreciated.

Respectfully Submitted,

Louay Hussein
