RE: Petition 2628 for alley closure at 7706 Tireman

First let me apologize for the time elapsed since you began the closure process, we are trying to be more proactive and prompt in resolving petition requests. I am contacting you at this time to try to resolve one outstanding issue regarding your petition for alley closure.

Our process requires 100% of abutting owner's signatures.

Our Assessor's records show the owner of the property (7720 Tireman Avenue) to be:  
Mr. Ernest R. Kirkman  
9330 Roselawn Avenue  
Detroit, MI  
48204

A simple signed letter of consent stating that they are the property owner of 7720 Tireman Avenue and that they agree to the permanent closure of the alley reserving an easement for public utilities would resolve the last outstanding issue for your petition and our office could proceed with a formal resolution to Detroit City Council.

Please feel free to contact our office and speak with myself or Mr. Keith McCrary – Supervisor of Maps and Records. (313) 224-3970 email [Mccraryk@detroitmi.gov](mailto:Mccraryk@detroitmi.gov) or [knollj@detroitmi.gov](mailto:knollj@detroitmi.gov).

Sincerely,

Jim Knoll, Sr. G.I.S. Tech.
