Honorable City Council:

**Re: Petition No. 2628, Ayed Al Modhgi, request to vacate alley between 7706 Tireman and 8023 and 8033 Central.**

Petition No. 2628 – Ayed Al Modhgi, request to vacate and convert to easement the east half of the east-west public alley, 20 feet wide, in the block bounded by Tireman Avenue, 66 feet wide, Garden Avenue, 50 feet wide, Alpine Avenue, 50 feet wide and Central Avenue, 60 feet wide.

This request is being made to provide security and to consolidate the properties.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW.

All involved City Departments, including the Public Lighting Department, Public Lighting Authority and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer  
City Engineering Division – DPW
