Re: Petition x2888

There is a petition to Convert to Easement the alleys in the block bound by Van Dyke, Grixdale, Veach and Stockton. To complete the petition request we (the City of Detroit) asks if you consent to the vacation to Easement.

When these alleys become Easements, they will no longer be City of Detroit alleys. As an abutting property owner you will be assessed $\frac{1}{2}$ (half) of the 16 foot wide alley that immediately abuts your property. That is 8 feet of the alley that immediately abuts your property. You cannot build any structure over the former alley as there are still utilities there.

Please sign below giving your consent to the vacation of the alley to an Easement.
