**SUBJECT: LETTER OF APPEAL - REQUEST ALLEY CLOSED WITH EASEMENT
(PROPERTY: 7575 PURITAN, DETROIT, MI 48238)**

Dear The Honorable City Council:

We, the congregation of The People's Community Apostolic Church, are writing this letter of appeal to request approval for an alley closed with easement behind our church effectively immediately. The enclosure of the alley would eliminate problem of illegal dumping, security concerns, and other serious crimes. Presently, stolen cars and large amounts of trash are being placed behind our property. Consequently, the city of Detroit continuously fines our assembly for crimes not committed by ourselves, but others. We have surveyed the surrounding businesses and neighbors regarding the enclosure of the alley on Tuller. All agreed that the enclosure of the alley would eliminate crime and illegal dumping in this area. The enclosed alley would provide beautification to our community and security for all businesses in this immediate area. We would really appreciate it if our request could be answered and resolved as soon as possible.

Looking forward to hearing from The Honorable City Council on your decision regarding our request of appeal on the alley enclosure with easement.

Thank you,
Bishop Alan Justice

Honorable City Council:

Re: Petition No. 134 – The Peoples Community Apostolic Church, request to close alley with easement for property located at 7575 Puritan, Detroit, MI 48238

Petition No. 134 of The Peoples Community Apostolic Church, request for the conversion of the west part of the east-west alley, 16 feet wide, in the block bounded by Pilgrim Avenue, 50 feet wide, Puritan Avenue 66 feet wide, Tuller Avenue, 50 feet wide and San Juan Avenue, 50 feet wide into a private easement for utilities.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW. The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

All City Departments and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) have no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

Public Lighting Department (PLD) reports no objection to the conversion to easement.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW

Provided, that if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incidental to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Tuller Avenue), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division – DPW

specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, that the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.
