As submitted, we are heavily involved with this petition. We have extensive underground conduit, manholes and overhead lines in this area. The relocation cost of our facilities in Chapel must be borne by the project. Please contact Denise Williams of PLD (313-267-7216) for designs and design co-ordination.

NOTE: We began relocating our facilities per the plans of Mr. Kennedy of PEA on 5-19-2014. At that time Chapel was to remain open for a distance south of McNichols. The portion of Chapel north of Verne was relocated out of the project.

If we must now vacate Chapel entirely, we must relocate again (at project cost.)
