FROM: Debra Singleton, Manager II
Detroit Water and Sewerage Department

DATE: June 6, 2014

RE: Petition No. 230
Request Renewal of The Temporary Closure of The East/West Alley
and the North /South Alley in The Block Bound by East Eight Mile,
Collingham, Joann, and Alcoy

We have reviewed the above Petition received by this office on May 15, 2014. With regard to DWSD's interests, our comment is as follows:

Our records indicate there is a sewer in the alley. However, DWSD has no objection to the requested temporary closure provided that attached DWSD Provisions for Temporary Closing is strictly followed.

If you have any questions, please call me at (313) 267-8309.

Sincerely,

Debra Singleton
Manager II

PROVISIONS FOR TEMPORARY CLOSING

We will agree to the proposed temporary closing subject to the fulfilling of the following provisions:

1. Detroit Water and Sewerage Department forces shall have free and easy access to the water main and sewer facilities at all times to permit proper operation, maintenance and if required, alteration or repair of the water main and sewer facilities. Free and easy access shall mean that no structures or storage of materials will be allowed upon the temporarily closed street to hinder the movement of maintenance equipment.
2. Where a fence is placed across the temporarily closed portion of a street/alley, then a gate must be installed to permit access for DWSD forces. The gate shall remain unlocked 24 hours a day, unless a guard is stationed near the gate to allow the Detroit Water and Sewerage Department ingress and egress at any time to and from the temporarily closed street. The minimum dimensions of the gate or gates shall provide 15 foot vertical and 13 foot horizontal clearances for freedom of DWSD equipment movement.
3. Should the water main and/or sewer facilities be broken or damaged as a result of any action on the part of the petitioner or assigns, then in such event the petitioner or assigns shall be liable for all costs incident to the repair of such broken or damaged water main and appurtenances, and waives all claims for damages.

These provisions must be made a part of the City Council's Resolution granting the temporary closing of the subject street/alley.
