Honorable City Council:

**Re: Petition No. 246 – Bethany Baptist Church, request to permanently close off alley located at 15122 W. Chicago between Coyle and Sussex. (reference petition num. 3458)**

Petition No. 246 of The Bethany Baptist Church, request for the conversion of the east-west alley, 20 feet wide, and the southerly part of the north-south alley, 18 feet wide, in the block bounded by West Chicago Avenue, 66 feet wide, Orangelawn Avenue, 60 feet wide, Sussex Avenue, 60 feet wide and Coyle Avenue, 60 feet wide into a private easement for utilities.

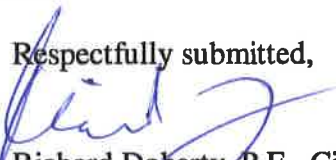

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW. The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

All City Departments and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) have no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

Public Lighting Department (PLD) reports no objection to the conversion to easement, provided there is 24-hour access to the easement area.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
  
Richard Doherty, P.E., City Engineer  
City Engineering Division – DPW
