Ref. No. 201406042
Petition No. 0274

- () Involved; but asking you to hold action on this petition until further notice.
- () Involved; but no objections to the property change – provided an easement of the full width of the public right-of-way (street, alley or other public place) is reserved.
- () Involved; the nature of our services, and the estimated costs of removing and/or rerouting such services are:
- (x) Involved; **object** to the renewal of temporary alley closure the north/south public alley various wide in the block bound by Alexandrine E., Woodward, Willis E. Ave. and John R. as shown in drawing X 274, dated 06/10/2014, since the temporary closure would cause a dead end situation to the east /west alley in the area. Traffic Engineering Division (TED) suggests the petitioner to resubmit a revised request for TED's consideration/review with one of the following revisions:
 - (1) Dedicate land to allow for a turnaround to alleviate the dead end situation for the east/west alley.
 - (2) Request for temporary closure of the whole east/west alley instead of partial portion thereof.
