Richard Doherty, CED DPW Head Engineer

City Engineering Division, DPW 65 Cadillac Square, Suite 900 Detroit, Michigan 48226-2873

RE: Petition #276 Dated: 6/9/2014 Not involved. See Remarks volved: but asking you to hold action on this petition until further notice. Involved but have no objection to the property change - - provided that an easement of the full width of the public right-of-way (street, alley or other public place) is reserved. Involved: the nature of our services, and the estimated costs of removing, rerouting or abandonment of such all gas mains and/or services **REMARKS:** Involved but have no objections to the property change, provided that the Renewal of Temporary Street Closure is a portion of Hildale Ave, 60 Ft. Wd. between Filer and Sherwood Ave.is Reserved as a Utility Easement. Reason being is that, DTE Energy Gas Co. haveexisting Gas main lines (8"-STL-10# 1989) and (4"-CI-2# 1950), in the proposed area of Temporary Street Closure. Alsoan existing Gas Service lines (2" PLA -1987) that feed Address 18615 Sherwood that is in the proposed area in the Street.Otherwise, contact DTE Energy Gas Company Public Improvement Department: Laura Forrester at 313-389-7261 (Gas Planner), for the estimated cost of our services in abandoning/removing/ and/or relocating/rerouting, including the survey, design and drawing of our utilities. See enclosed strip prints for your use and information regarding our gas main locations. Please abide by Public Act 174, three (3) working days before you dig, dial toll free MISS DIG at: 1 - 800 - 482 - 7171. DTE Energy Gas Leak Emergency Phone Number: 1-800 – 947 – 5000. Sincerely, ISI Russell & Thornton Drafter Data Integrity and Technology
