- (x) Involved; **have objection** to the request to convert to easement a portion of the east/west and north/south public alley, 20 ft wide in the block bound by Second, Charlotte, Cass and Temple Ave. as shown in drawing X 280, dated 06/17/2014, since the proposed partial alley easement would cause dead end situation for the westerly portion of the east/west alley and the north/south alley just east of Second, and also for the southerly portion of the north/south alley just west of Cass. To avoid causing dead ending situation, the petitioner may revise the request to seek easement of all the alleys in the area bound by Second, Charlotte, Cass and Temple and submit for reconsideration by Traffic Engineering Division.
