CHALMERS LIQUOR PLUS

11306 CHALMERS ST., DETROIT, MI 4823

6/18/2014

Dear Mr. McCary,

I'm writing to you in hopes that you might be able to assist me with a situation I have at my store regarding parking. Although there is parking available along the street to the side of the store, it is becoming very dangerous to park there as cars are being vandalized and broken into on a very regular basis.

I'm very concerned about my wife, myself and my three employees safety while parking in this area. It's very easy for vandals to target this area because although there is a street light positioned on that street, it is non-operational and therefore doesn't serve it's purpose. I have been told there may be no functioning street light there for as long as 1 ½ years.

My request is to allow parking in front of the store in order to ensure the safety of the workers and myself while entering and leaving the premises. There is a sidewalk that measures 72 feet long X 24 Feet in width. If we are able to use 17 feet of the side walk for parking spots, that would leave 7 feet for the sidewalk.

I truly believe this would be an answer to our situation and I am asking for permission to be able to carry out this project for my store.

I'm truly grateful for your consideration,

Said Fahkouri
Owner of Chalmers Plus Liquor
