We request the petition be denied until petitioner clears alley to render a PLD cable pole and handhole accessible. Upon doing this and coordinating with Denise Williams on 313-267-7216, the petition is granted provided the full width of the public right-of-way is reserved.

Currently the alley is permanently blocked with various natural and man-made obstructions including a fence and a locked gate. We need 24-hour unimpeded heavy truck access to our facilities.
