CITY CLERK 25 JUL 2014 4:10:13P

**When:**

As soon as possible permitted by the city council

**Why:**

Warren tire shop would like to install (2) 8' gate fence at the entrance of Aston street alley to the end of the 18201 building (See site plan) to be able to utilize the space for storage with an open roof. At the present time it's being used for a walkway/ hideaway for drug users, prostitutes & public urination, to keep the area safe and clean for law abiding citizens it's best to do what we plan, So people can use the sidewalk available instead of the alleyway. Movie mania video would like to have the approval to close the alley also behind there building but will leave it open for use as a drive around for their customers as they have been doing for the past 20 years.
